

## **Barkley Court Reporters Joins With LexisNexis® to Introduce New Real-Time Feature in TextMap**

**Los Angeles, CA; September 13, 2010** – Barkley Court Reporters, one of the nation’s oldest and privately owned court reporting firms, is proud to announce that it has joined with LexisNexis, a leading global provider of content-enabled workflow solutions, to introduce firms across the country to TextMap’s new real-time feature.

This feature enables searching, annotating and summary reports during depositions. Legal professionals can use TextMap to schedule real-time depositions using Barkley reporters and take advantage of this powerful feature.

“Working with LexisNexis has provided great opportunities for our clients to experience the power of TextMap,” said Mason Farmani, Managing Director of Barkley Court Reporters. “Being able to connect to our real-time reporters has been a popular feature in the new release of TextMap.”

Barkley has also been designated as one of LexisNexis’ TextMap Exhibit Package preferred provider. All clients of Barkley Court Reporters will receive this exclusive TextMap Package at no additional charge.

Barkley Court Reporters and LexisNexis have hosted seminars for legal professionals and support staff throughout the country to demonstrate new TextMap features. These presentations include live reporters transcribing events, as well as providing participants with laptops so they may experience a real-time “deposition.”
